WAYS TO PREVENT COVID-19

1. STAY home as much as you can.
2. KEEP a safe distance from others. At least 6-feet.
3. WASH hands often.
4. COVER your cough.
5. AVOID touching your face.
6. WEAR a mask in all stores and public places.
7. SICK? Call before going out.

SYMPTOMS OF COVID-19

People with COVID-19 can have many symptoms. Some are mild, others are severe. These symptoms may appear 2-14 days after exposure to the virus:

- Fever
- Cough
- Shortness of breath or difficulty breathing
- Chills
- Repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- New loss of taste or smell

TO GET TESTED FOR COVID-19

Stay home. Call **856-451-4700 or visit CompleteCareNJ.org** to request a COVID-19 screening. Testing sites are available locally, but you must have an appointment. Testing does not take place at CompleteCare Health Network offices.

For emergencies call 911.
